Two years have passed and the Austro-British Society Tyrol is pleased to invite you once again to a **Burns Supper**.

This highly popular event is a celebration of the life and poetry of Robert Burns (1759-1796), author of many Scots poems including the well-known "Auld Lang Syne".

The supper will be held on the poet's birthday, 25<sup>th</sup> January, and contains all the typical items, like haggis, Scotch whisky, an authentic Scottish bagpiper and the reading of Robert Burns' most famous poems in the Scottish vernacular.
