

In Memoriam Bryan Sutton

*The Society mourns the loss of Bryan Sutton
17.11.1926-28.10 2010*

Eileen and Bryan Sutton often went to Vienna. They especially enjoyed their visits to the theatre there. Sadly Bryan died unexpectedly during one of these visits to Vienna on Thursday 28th October 2010. He was not only a well loved member of the Society but also a former Vice-President. His years of hard work for the society and, moreover, being the "teacher" to the Tuesday Conversation Group will keep him in our thoughts and memories for a long time to come.
