

Your opinion is important to us!

The Austro-British Society in Tyrol has been running since the late 1940's. We are keen to ensure that we organise activities that attract as wide a group of interested people as possible, including school teachers and senior pupils, university and college students. Please help us to plan our programme for 2009 by letting us know which activities interest you most.

Name.....

Are you interested in the English language and British affairs as:

a pupil? a student ? a teacher? general interest?
